

Minnesota Law Enforcement Explorer Association

Winners of the 1998 National Law Enforcement Explorer Conference

Each national Law Enforcement Explorer conference has both individual and team competition in a number of areas. Individuals and teams work all year to compete in the various categories. We would like to recognize the winners once again.

To all these winners-both team and individual - CONGRATULATIONS! You showed what happens when talent, skill, and practice come together. It is truly a win, win, win situation. The Explorer wins, the Explorer post wins, and the local town or community wins.

We hope that you'll be encouraged to participate in the year 2000!
