## *Important Conference Changes*

### **2010 State Conference Changes!**

**All registration forms have changed.**

**Registration Check in is from 13:00 to 18:00 Thursday at the Double Tree second floor.**

Opening ceremonies will be held Thursday night at 20:00 at the Mayo Center Exhibit Hall. Immediately after, the parade of squads will start. Please make sure you get a flyer at registration about this parade.

This year academic sessions are open and more than one team per post can attend. Only one test per post will be allowed. If two tests are found to be submitted both will be disqualified.

All registrations are due by March 20, 2010. Rooms will be released to the general public so we will not be able to guarantee you a room if you register after March 20, 2010. Please use the correct addresses so your registration is not lost or delayed. Please review all paperwork to make sure your registration is not delayed because of errors.

A reminder, please get your paperwork in on time. Hotel assignments will be based on the date all your paperwork has been turned received.

If you are waiting for a check to turn your paper work in please contact DuWayne so the paper work can get entered and you will not be put on the bottom of the list.

**Please notify us of any changes so we can keep the hotels informed of the rooms needed for the conference.**

**There are no limits to the number of explorers and advisors you wish to bring!**

You will be notified via e-mail on your housing information. Your room info will be assigned as the conference date approaches. Please make sure we have an updated e-mail address for your post and it is reviewed on a daily basis.

Please check into your hotel and then come to our registration desk to check in with us and get your Conference information.

Park at your hotel parking lot when you check in, please remember the hotel lots have height restrictions. We have secured some surface lots for large vehicles and trailers. Information will be in the packet and sent if needed, please advise us of your vehicles.

If you have any questions, please contact a board member at any time.

Thank you,  
MLEEA Board
