The Officer Scott Patrick Memorial Police Explorer Scholarship

On July 30th, 2014, Mendota Heights Police Officer Scott Patrick was killed in the line of duty on a traffic stop in the City of West St. Paul, Minnesota. Officer Patrick was shot and killed by a man with active warrants for his arrest, was a known drug dealer and a convicted felon. Officer Patrick left behind his wife, two daughters, his extended family, and his friends/colleagues in law enforcement. His death also tragically scarred the community in which Scott was born, worked, and raised his family. Scott was raised in St. Paul Minnesota, where he attended Humboldt Senior High School and was a member of the St. Paul Police Department Explorer Post. He went on to obtain his degree in Law Enforcement from Alexandria Community College.

Scott was a dedicated father, brother and husband and a fixture in his community. He died serving a community he dearly loved. He was a man of integrity, character, intelligence and passion. He always knew the right thing to say at the right time and he definitely knew how to make people laugh. Scott knew from a young age that he wanted to become a police officer and serve his community and he worked diligently to achieve that goal. Scott's life ended far too soon and he gave the ultimate sacrifice. In honor of his service and sacrifice, this memorial scholarship was created by his family and the members of the Mendota Heights Police Officer Benevolent Association (MHPOBA).
