This year academic sessions are open and more than one team per post can attend. Only one test per post will be allowed. If two tests are found to be submitted both will be disqualified.

The Drill Team event will be offered again at this year's conference. When you register for the conference you will have the option to sign up for this event. More info will follow.

You will see the Health form that need to be completed and retained in your records. You do not need to complete Part C. If your post is going to Nationals, this year you can use the same health form for our conference. Please make sure you keep this paperwork with you at the conference.

All registrations are due by March 1, 2018. Rooms will be released to the public, so we will not be able to guarantee you a room if you register after March 1, 2018. Please send your registration to the correct address so it is not lost or delayed. Please review all paperwork to make sure your registration is not delayed because of errors. Hotel assignments will be based on the date all your paperwork has been turned received. If you are waiting for money to turn your paper work in, please contact DuWayne so the paper work can get entered and you will not be put on the bottom of the list.
